Peer Ministry is returning to Ascension!

An invitation to all 10-12th grade youth, peer ministry is all about practicing
Jesus' command to do unto the least of these, both to the glory of God and through service to others.

Peer Ministry is part training: to equip youth leaders to heed Jesus' call to "go and do likewise;" part skill
development: to nurture the emotional and spiritual lives of participants, who in turn practice these skills
in daily life; part service: both formal and informal; **and it's all parts fun!**

Peer ministers will journey together through retreats, events, fellowship, and service projects.

We'll kickoff with a weekend retreat in summer 2010.

Talk to Elisabeth to find out more and visit www.ascensiononline.org for info soon!

Cookies for Chickens Bake Sale: Feb. 14

Help host a "cookies for chickens" bake sale to purchase a farm animal (such as chickens or goats)! The animal we purchase will go to a family in another country to enhance their well-being and self-sufficiency.

How you can be a part:

Join us for a baking day in early March in the Ascension kitchen! Date TBD.

Bring and sell baked goods between services on Feb. 14!

LIVE LIFE LAUGHING! A congregational event: Feb. 9th, @ 6:30pm
All are welcome to this volunteer recognition event for Ascension's Health & Wholeness Team. It's all about laughter and faith, presented by international speaker and pastor (sister of our own parishioner, Dr. Kathy Phelan) Dr. Laura Gentry.

There's sure to be food, fellowship, and laughter for all!
